**INTERVIEW SUSPECT:**

We made contact with [REDACTED] at his residence in Gaylord. We informed him that he was not in trouble and we simply wanted to talk with him regarding an SOR violation. He agreed to talk with us on his porch. [REDACTED] said that he had moved into his house a few weeks ago. When asked if he knew he was within 1000 feet of a school he stated he was aware of the proximity of the school and said that they purchased the house due to the close proximity for his children.

[REDACTED] explained that he made contact with Mr. Ron Puzon with the Otsego County Sheriff's Department who advised him that the school- safety zone violations were no longer in effect. [REDACTED] stated that if he would have known buying the house was a violation he would not have purchased the house.
